

Special Newsletter

Dear friends & wellwishers,

Join us online at the **Global Consciousness Day on Dec. 21, 2020** and participate with your wishes, blessings, love and prayers for the wellbeing of mother earth, for the rise of the collective consciousness of humanity, for coherence, peace and unity.

Through the initiative of ECR founder Marcus Schmiede and in cooperation with ConScience, GEHP and the Dev Sanskriti University, Haridvar, India, the Institute for Existential Consciousness Research - ECR would like to cordially invite you. People from over 50 countries from our large networks will also be invited to join in this global meditation on the winter solstice to send their best intentions and a positive impulses.

Both events will start with an introduction about the scientific and spiritual background of consciousness, presented by Marcus Schmiede and other renowned scientists and spiritual teachers, followed first by a guided and then a collective meditation. Join in at your individual time zone area on one of the events. We are looking forward to your participation and sincere consciousness on this special day for the support of this earth that we are part of.

You can find further information at:

GLOBAL CONSCIOUSNESS DAY

This free-of-charge event will be held in English at two different starting times: one for Asia (India, China, Japan and Australia), and one for Europe and the USA.

With our best wishes and greetings,

Marcus Schmiede, Patricia Lüning-Klemm & Hans-Werner Quast - ECR
